The prosecution case is as under :

Manish and Neha were studying together in one college at Pune. They fell in love with each other and decided to get married. As both of them were belonging to different caste, they apprehended that their families will not approve. Hence, they decided to run away. On 2/7/08, Neha leaves the house in the morning on pretext of going to college. She meets Manish at Swargate Bus Stand and both of them went in S.T. Bus to Satara. As Neha did not return to the house, her father made inquiry and from her friends he came to know about her love affair with Manish. He lodged complaint against Manish. Police took the search and brought both Manish and Neha to Pune on next day. Both of them were referred for medical examination. Manish was arrested and after completion of investigation, police filed charge-sheet against Manish.

At the trial Neha states her age as running 17 years and admits her love affair with Manish. Her father states her age as running 16 years. Doctor states as per ossification test her age is in between 15 to 17 years.

Defence of Manish was that at the insistence of Neha, he eloped with her.
